

# WANT TO TRY SOMETHING NEW?

A new LTPH “Game Time” experience was added to our program in 2011 for all youth 14 and under!

- LTPH “Game Time” will be at 11:15am and will run until 12:45pm Sundays.
- The LTPH Game Time will be offered as an additional session only available to LTPH registrants.
- Our desire and goal is to give “skills” instruction once a week on Thursday evenings and provide in game instruction during Game Time once a week on Sunday mornings at 11:15am as well.
- The cost is \$15 per class, payable at the beginning of each semester. Students joining part way through a semester will be pro-rated.
- Game Time will be a controlled scrimmage with youth of similar skill sets. Designed to teach the rules of the game (offside, icing, positional play, team play, penalties etc). Each on ice session will begin with an overview of the basic rules of the game followed by a warm up session, and then a scrimmage controlled by an on-ice SIA hockey coach.

## Why Choose Sherwood Learn To Play Hockey Program?

The Mission of the Sherwood Ice Arena Learn To Play Hockey Program is to provide an instructional experience that allows each student to improve his/her skills, knowledge of the game, and self-confidence through a “positive” learning experience.

The Learn To Play Hockey Program is for all ages and assumes that students are serious about playing hockey. **Full hockey gear** is required. All students must complete Sherwood’s Learn To Skate Pre Alpha class or must be evaluated in a private lesson with a Sherwood skating coach before entering the Learn To Play Hockey Program. **Full gear** includes a helmet with full face shield, elbow pads, hockey pants, shin pads, shoulder pads, skates, hockey gloves and stick.

### Our Philosophy is simple.

The Sherwood Ice Arena Learn To Play Hockey Program is dedicated to making the game of hockey fun for everyone who plays it. By learning and developing the appropriate fundamental skills and knowledge of the game, every player will gain the confidence to be able to compete and enjoy the game at every age and skill level.

**Sponsored by Easton, Subaru, and Kort Chiropractic.**
